

All About Me!

We are all special. We're different - it's true -

But what is the difference between me and you?

You can count numbers but I can play catch.

I dance at weekends, whilst you play a match.

You like bananas, whilst I like cherries,

But both of us love to eat juicy strawberries!

My hair is brown and your hair is red.

I get up quite early, whilst you stay in bed.

I can write neatly and you find it hard,

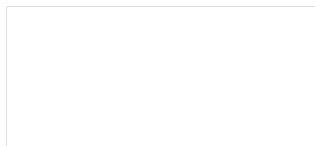

But we both like to make things from paper and card.

I like to jump high, whilst you read a book.

You like to buy pizzas, but I love to cook.

We'll be friends forever, no day will it end.

We may be so different but you're my best friend.
