

Helping the Environment

Think of 6 things that you can do to help the environment at home or at school. Draw them and write a sentence to describe them.

A rectangular box with a black border. The top portion is empty for drawing. The bottom portion contains two horizontal lines for writing a sentence.A rectangular box with a black border. The top portion is empty for drawing. The bottom portion contains two horizontal lines for writing a sentence.A rectangular box with a black border. The top portion is empty for drawing.
