

Always Kind Online?

Think about how each of these forms of digital communication could be used to be unkind to someone online. How you would respond to it if you saw it happening?

Email	Social Media	Messaging App
Video Site	Online Game	Text

What is the first thing you must do if you think someone is being unkind online to you or someone else? _____

Online Chatters

Record how the people in your house communicate online during the course of a week. This could include email, social media, commenting, chat forums, messaging apps, video chats or online gaming.

Day of the Week	What Online Communication Was Used?

Are you surprised at the amount of online communication that happens? Explain your answer.
