

George's Marvellous Medicine

Activity Cards 3

George's Marvellous Medicine Activity Cards

Punctuation and Grammar

- Complete the **Commas Punctuation Activity Sheet**.
- **Challenge!** Write a list of ingredients for George's Marvellous Medicine. Remember to put the commas in the correct place.

George's Marvellous Medicine Activity Cards

Comprehension

- Complete the **Comprehension Activity Sheet**.
- **Challenge!** Write a letter of apology from George to his parents, anticipating their anger and shock at the effect of the medicine.

George's Marvellous Medicine Activity Cards

Vocabulary

- Draw a large bottle of the medicine. Collect adjectives and expanded noun phrases that describe the medicine and its effects on Grandma, writing them on your bottle.
- **Challenge!** Create an advertising poster for this magic medicine using alliterative phrases e.g. a dash of dust.

Imagine

- Imagine George leaving an answer machine message on his mother's phone about what has just happened.
- **Challenge!** Create a text from George to his dad describing the day's events, using less than 140 characters.

Invent

- Invent a recipe for your own Marvellous Medicine, using household items.
- **Challenge!** Add adjectives to their recipes that will revolt your reader. Include an ingredients list, a step by step method and some top tips.

Report

- Create a mini newspaper report describing the strange sightings seen by a passer by on George's farm. Find vocabulary and phrases from the text and use these in your report.
- **Challenge!** Use inverted commas to punctuate direct speech e.g. 'Eeeek,' came the shriek from the distant farm.

Reading Task

- Read 'Grandma Gets the Medicine'.
