

Alliteration

Alliteration is when the sound or letter at the beginning of each or most of the words in a sentence is the same.

Alliteration is used in poetry to create many different effects. It can be used to create a greater and more interesting description of different themes, people and objects.

Some examples of alliteration:

All **a**uthors **a**llow **a**uthority **a**fter midnight.

Theresa **t**ripped and **t**umbled **t**remendously over the **t**ree.
