

Create Your Own Stone Age Tribe

In Chapter 1, Bee tells the reader all about some of the members of her tribe. They have unusual names which are linked to their appearance or the jobs they do. E.g. Bent Tree, Knotted Mane.

Create your own Stone Age tribe. You may like to base your ideas on what your own family would be like if they had lived in Stone Age times!

Draw and fill in the information about the members of your tribe.

Start with yourself!

These animals lived during the Stone Age and this list might help you with the names: woolly mammoths, wild boar, sheep, deer, cave bears, hyenas, bees, ducks, goats.

Example:

Name: Dancing Wolf

Reason for name: loves dancing and can be fierce

Job in the tribe: fishes

Often heard saying: Let's Dance!

Likes: dancing, helping gather firewood, nature.
