

# Descriptive Writing

## Descriptive Writing Checklist

<b>Features of Descriptive Writing</b>	✓
Choose the best adjectives, nouns and verbs for the description.	
Use a variety of conjunctions to add detail.	
Include some language features (similes, alliteration and metaphors).	
Use the same tense during the whole description.	
Use a variety of sentence types (simple, compound and complex).	
Use some of the five senses to help the reader create an image in their mind.	
Use a variety of sentence starters to keep the reader engaged.	
Check punctuation, spelling and capital letters.	
Group similar ideas into paragraphs.
