

# 4 Times Table Activities

Count in 4s and colour in the grid:

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

Work out these answers:

a)  $4 \times 4 =$  \_\_\_\_\_

f)  $6 \times 4 =$  \_\_\_\_\_

b)  $3 \times 4 =$  \_\_\_\_\_

g)  $7 \times 4 =$  \_\_\_\_\_

c)  $5 \times 4 =$  \_\_\_\_\_

h)  $1 \times 4 =$  \_\_\_\_\_

d)  $2 \times 4 =$  \_\_\_\_\_

i)  $11 \times 4 =$  \_\_\_\_\_

e)  $9 \times 4 =$  \_\_\_\_\_

j)  $8 \times 4 =$  \_\_\_\_\_

How many different leaves are there? Count in groups of 4 and write out the calculation.

a)  \_\_\_\_\_  $\times$  \_\_\_\_\_ = \_\_\_\_\_

c)  \_\_\_\_\_  $\times$  \_\_\_\_\_ = \_\_\_\_\_

b)  \_\_\_\_\_  $\times$  \_\_\_\_\_ = \_\_\_\_\_
