

# Prediction Checklists

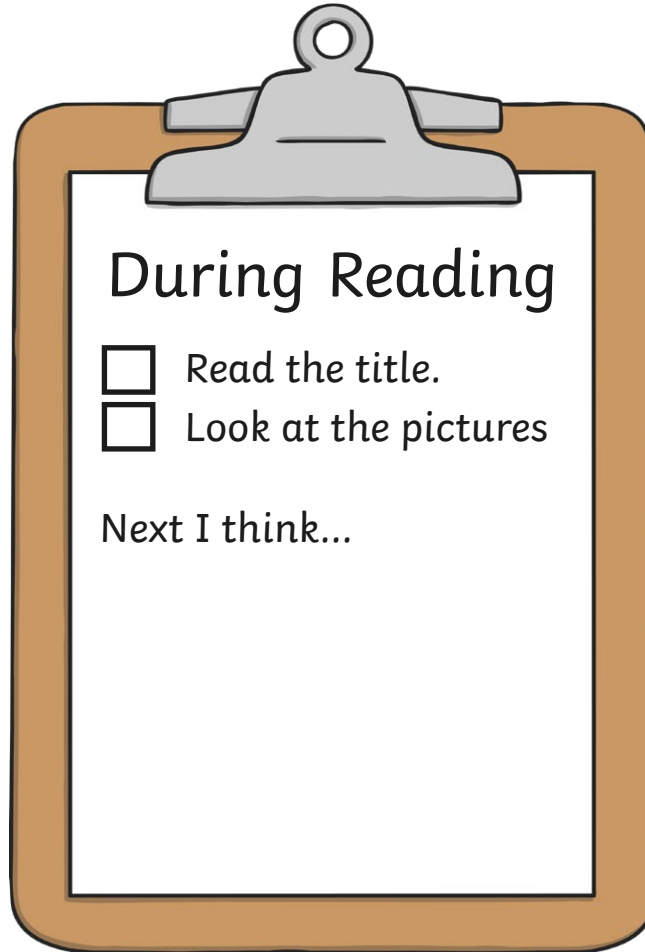

I am learning to make predictions before and during reading, and to confirm or adjust my predictions.

**Before Reading**

- Read the title.
- Look at the pictures

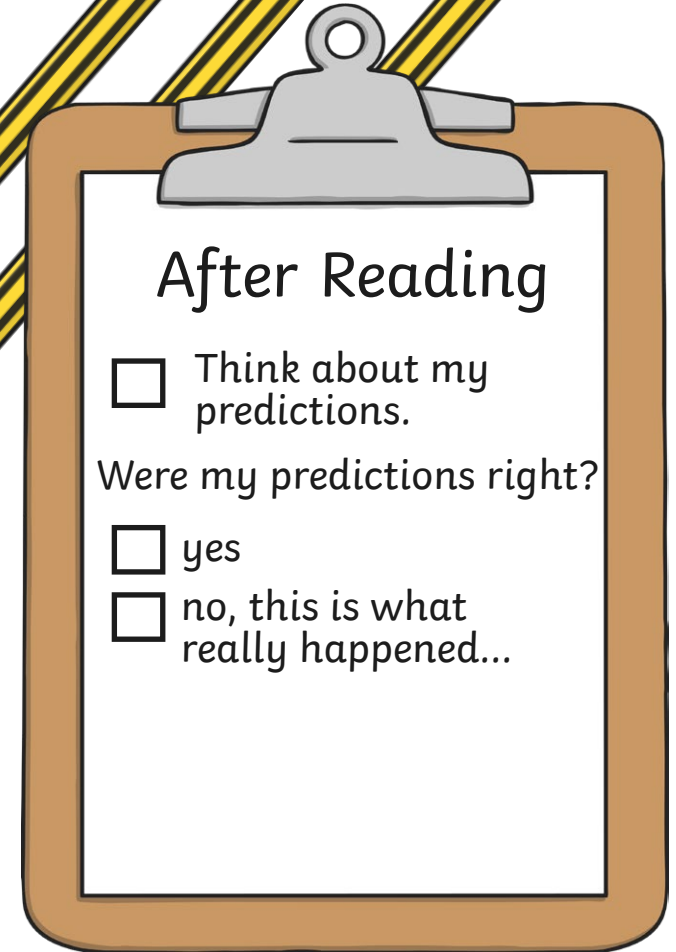

I think the text will be about...

**During Reading**

- Read the title.
- Look at the pictures

Next I think...

**After Reading**

- Think about my predictions.

Were my predictions right?

- yes
- no, this is what really happened...
