

Days in the Month

How many days are there in each month?

Read the poem and then use it to complete the table.

Thirty days in September,
April, June and November;
February has twenty-eight
All the rest have thirty-one.

Except in Leap Year,
that's the time

When February has twenty-nine.

Month	Number of Days	Month	Number of Days
January		July	
February		August	
March		September	
April		October	
May		November	
June		December
