

# Identify, Represent and Estimate Numbers on a Number Line

Draw an arrow to show where the following numbers would be on each number line.

1. 7000

2. 2000

3. 4000

4. 6500

5. 2500

Estimate what number is being shown on each number line below:

6. \_\_\_\_\_

7. \_\_\_\_\_

8. \_\_\_\_\_

9. \_\_\_\_\_

10. \_\_\_\_\_

# Identify, Represent and Estimate Numbers on a Number Line Answers

Draw an arrow to show where the following numbers would be on each number line.

1. 7000

2. 2000

3. 4000

4. 6500

5. 2500

Estimate what number is being shown on each number line below:

6. **8000**

7. **1000**

8. **9500**

9. **3500**

10. **7500**

# Identify, Represent and Estimate Numbers on a Number Line

Draw an arrow to show where the following numbers would be on each number line.

1. 4000

2. 8000

3. 2500

4. 3500

5. 9500

Estimate what number is being shown on each number line below:

6. \_\_\_\_\_

7. \_\_\_\_\_

8. \_\_\_\_\_

9. \_\_\_\_\_

10. \_\_\_\_\_

# Identify, Represent and Estimate Numbers on a Number Line Answers

Draw an arrow to show where the following numbers would be on each number line.

1. 4000

2. 8000

3. 2500

4. 3500

5. 9500

Estimate what number is being shown on each number line below:

6. **6000**

7. **7000**

8. **4500**

9. **1500**

10. **8500**

# Identify, Represent and Estimate Numbers on a Number Line

Draw an arrow to show where the following numbers would be on each number line.

1. 6500

2. 8000

3. 9500

4. 3750

5. 6500

Estimate what number is being shown on each number line below:

6. \_\_\_\_\_

7. \_\_\_\_\_

8. \_\_\_\_\_

9. \_\_\_\_\_

10. \_\_\_\_\_

# Identify, Represent and Estimate Numbers on a Number Line Answers

Draw an arrow to show where the following numbers would be on each number line.

1. 6500

2. 8000

3. 9500

4. 3750

5. 6500

Estimate what number is being shown on each number line below:

6. **4500**

7. **7250**

8. **5750**

9. **5500**

10. **9250**
