

**Maths | Calculations with 0 and 1**

I can multiply 0 and 1 and divide by 1.		
I know different words for the number 0 and understand what it represents.		
I can use drawings and objects to show why multiplying by 0 or 1 is different from adding and subtracting 0 and 1.		
I can write rules for multiplying by 0 or 1 and dividing by 1.		
I can use what I have learnt to solve word problems.		

**Maths | Calculations with 0 and 1**

I can multiply 0 and 1 and divide by 1.		
I know different words for the number 0 and understand what it represents.		
I can use drawings and objects to show why multiplying by 0 or 1 is different from adding and subtracting 0 and 1.		
I can write rules for multiplying by 0 or 1 and dividing by 1.		
I can use what I have learnt to solve word problems.
