Teacher Guidance

Please note: 2 levels of differentiation have been provided.

** There are 18 sentences in total. There are 6 sentences for each conjunction (and/or/but). Each sentence is only plausible with one of the conjunction choices. For example, 'Ben stopped **and** looked up at the night sky.'

*** There are 18 sentences in total. There are several challenging sentences included where multiple conjunction choices may be plausible (and/or/but). For example, 'Please play quietly **and/or/but** go outside.' This is to allow children the opportunity to discuss their reasons and how their choice changes the context of the sentence.
