# Sam's Evening Answers

It was eight o' clock at night and Sam just couldn't relax. He couldn't go to bed until he had all his things ready for school the next day.

He frantically gathered together his trainers, shorts and PE T-shirt before he stuffed them all into a bag ready to pick up in the morning after he had eaten his breakfast.

When he was finally ready for bed, he brushed his teeth whilst/while he thought about all the things he needed to do the next day. Then, maybe, he could finally relax and get to sleep!
