Recognise... Acrostic Poems

The first letter of each line spells out the poem's theme.

An Acrostic Poem

doesn't need to rhyme

and lines can be different lengths

It can be any length. Any length at all. Even one this

longgggggggggggggggggggggggggggggggggg

An acrostic poem
Could be about anything you want
Really.
Of course, you can
Say what you like.
That's what's so easy
I might write one right now
Can you guess what it'll be about?
