This week, we are looking at how nouns and adjective root words can be changed into verbs using suffixes.
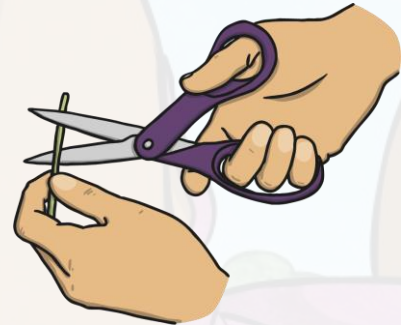

We are going to concentrate on using the suffix **–en**.

straighten

flatten

shorten

Can you sort the following verbs ending in *–en* into the correct places in the table according to how they have been formed?

blacken   brighten   flatten   lengthen   thicken

straighten   shorten   mistaken   tighten   toughen

Simply adding the suffix –en to a noun or adjective root word
Double the last letter of a CVC or CCVC root word before adding –en
Remove the 'e' from the end of noun or adjective root word before adding –en
