Assessment

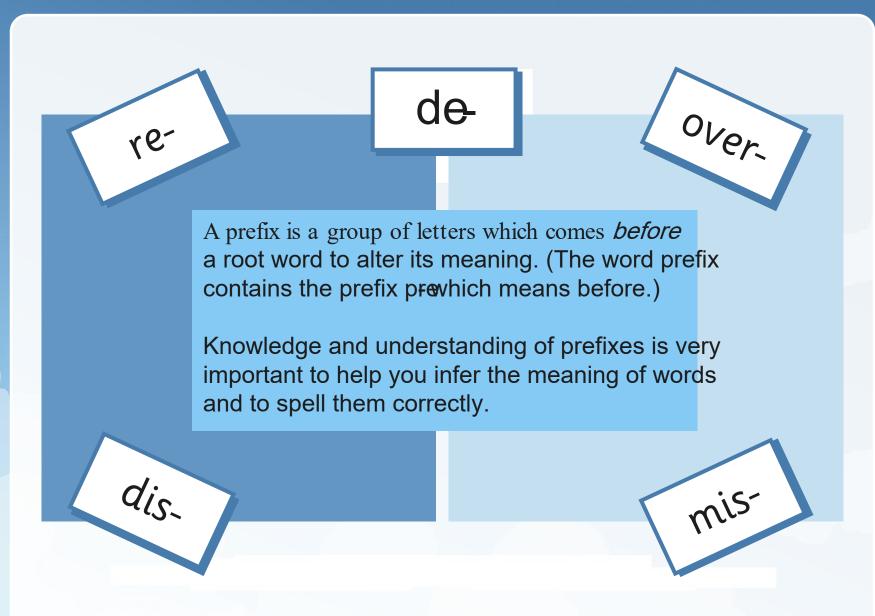

Aim

• Revise verb prefixes diste, mis, over and re.

Success Criteria

- I can explain the meanings of these prefixes.
- I can decide which prefixes could be applied to a given root word.
- I can use my knowledge of prefix meanings to predict the meaning of unknown words.
- I can identify when a group of letters are forming a prefix in a word.

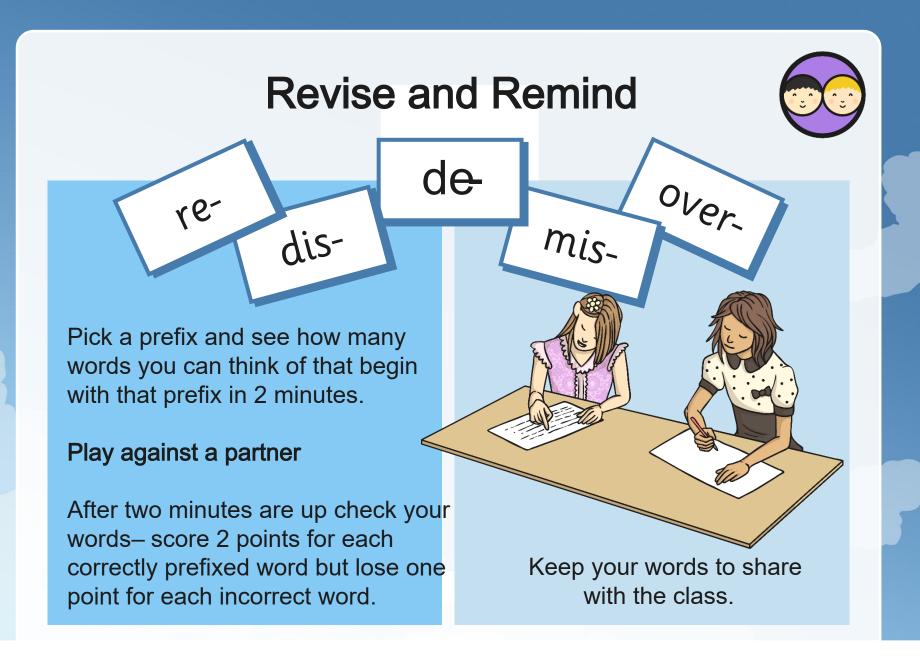

Introductory Activity

Here are some examples of this prefix in-use

replay rewind revisit retrain

What do you think this prefix means when it is used before a root word?

The prefixre- refers to the act of doing something again or moving/backing away.

Can you think of any other words which use the prefire-?

dis

Here are some examples of this prefix in-use dislike disbelieve disabled distrust disallow disapprove

The prefixdis- has a reversing negative effect. It means 'don't' or 'not' when used before a word.

Can you think of any other words which use the prefi**dis-**?

de-

Here are some examples of this prefix in use decrease decouple deice decode devalue

What do you think this prefix means when it is used before a root word?

The prefixde- means 'to remove', 'off' or 'from'. It can also be used to form an opposite.

Can you think of any other words which use the prefide-?

Here are some examples of this prefix in-use

misbehave misfit mistrial misstep mislead

What do you think this prefix means when it is used before a root word?

The prefixmis- means 'wrongly' or 'badly.'

Can you think of any other words which use the prefi**mis-**?

over

Here are some examples of this prefix in-use

overreact overcook overdress overheat overfull

What do you think this prefix means when it is used before a root word?

The prefixover- means 'too much' of something, 'above' or 'beyond.'

Can you think of any other words which use the prefi**gver**-?

Independent Focused Activity

Match the Prefixes to the Root Words

Some prefixes can be used with lots of root words, others are more selective. Try each prefix for size with each root word and draw a line to match them to any that you think they can be added to.

	tch the Prefix d Root Word	
1. Can you join the root words	to the prefixes that can complete them to	make a valid word?
	take	
	act	re-
mis-	appear	
	play	de-
over-	place	
	order	dis-
	tract	

Match the Prefixes and Root Words
 Can you join the root words to the prefixes that can complete them to make a valid word? Use a dictionary to check your answers.

Aim

• Revise verb prefixes diste, mis, over and re

Success Criteria

- I can explain the meanings of these prefixes.
- I can decide which prefixes could be applied to a given root word.
- I can use my knowledge of prefix meanings to predict the meaning of unknown words.
- I can identify when a group of letters are forming a prefix in a word.
