

Fair Trade Countries Rounding

There are over 1.65 million farmers and workers spread across more than 74 countries participating in fair trade.

Buying something with the Fairtrade symbol on it means that the farmers and workers have been paid a fair price for their products.

The table below shows some of the countries and products that are involved in fair trade.

Use your rounding skills to complete the table below.

Country	Product	Miles from UK	Rounded to the Nearest 10	Rounded to the Nearest 100	Rounded to the Nearest 1000
Columbia	Bananas	5319			
Dominican Republic	Cocoa	4254			
Papua New Guinea	Coffee	8988			
India	Cotton	7672			
Kenya	Flowers	4468			
Belize	Sugar	5229			
Sri Lanka	Tea	5546
