Number and Algebra | Robot Rounding

| I can round numbers to a required degree <br> of accuracy. |  |  |
| :--- | :--- | :--- |
| I can identify which digit to consider when <br> rounding to different degrees of accuracy. |  |  |
| I can identify which digits to round up and <br> which digits to round down. |  |  |

Number and Algebra | Robot Rounding

I can round numbers to a required degree of accuracy.

I can identify which digit to consider when rounding to different degrees of accuracy.

I can identify which digits to round up and which digits to round down.
