

Number and Place Value Rounding Activity

Here is a set of cards that have been mixed up. Cut out the cards and match the trios together. In each trio, there will be the number being rounded, the number to which it is rounded and an answer. When you have made all of your matches, you will have some unmatched answer cards left. Use the blank cards to make a correct trio.

Number and Place Value Rounding Activity

Here is a set of cards that have been mixed up. Cut out the cards and match the trios together. In each trio, there will be the number being rounded, the number to which it is rounded and an answer. When you have made all of your matches, you will have four unmatched answer cards left. Use the blank cards to make a correct trio.
