Life Cycle

2

3

A worksheet template for a dragonfly life cycle project. It features a large green circle with a white arrow pointing clockwise. Inside the circle, there are two empty white circles labeled '2' and '3'. A dashed green box with vertical lines is positioned between the two circles. The background of the circle contains faint line drawings of dragonfly parts: a head, a thorax, a wing, a tail, and a nymph. A yellow pencil is also visible on the left side of the circle.
