In which part of the debate did you learn the most? What did you learn?

What else would you like to know about the mayoral candidates?

You live in, or at least attend school in, Indianapolis. What issue or topic do you think is most important for our city? Why do you think it is most important? This can be a topic that was covered in the debate or a topic that you think should have been covered.

Write down a question that you have for the candidates.

Who do you think "won" the debate? If you don't think anyone "won", who were you most impressed with? Explain your answer.
