

Bullet Points

Bullet points are used for making lists. You could use them to organise a set of questions, a list of nouns or a checklist of things to do.

If your bullet point is a full sentence, use **capital letters** and **full stops**.

- The Colosseum in Rome was built in 80AD.
- Stonehenge was constructed sometime between 3000BC and 2000BC.

If your bullet point is part of a list of nouns, you can separate them with a semi-colon.

Some of the Seven Wonders of the World are:

- Stonehenge;
- Great Wall of China;
- Roman Colosseum.
