Wah Wa Wa Wah Wa Wa

Watch the short Charlie Brown video to see what Jack means on p. 153 when he mentions the way adults talk in Charlie Brown movies. Notice that Linus and Charlie understand everything the teacher says.

Write a short script for a scene from Charlie Brown, a missing chapter from Wonder or your own school. Set the scene in a classroom where every line from the teacher is some form of Wah Wa Wa Wa but the children understand everything; and your reader understands too because of what the children say in their lines. Can you think of any common conversations		
that happen in your classroom?
