

Discover Utopia

It's been a long, hard day. Your feet are aching; your brain is whirring; your eyes are drooping. You need to relax.

Here at the Utopia Luxury Hotel, our mission is to help you escape the day-to-day stresses and strains of life. From our converted mansion in the heart of Cornwall, just five miles from Penzance, we provide a few days of sheer luxury in which you can recharge your batteries and rediscover what life is all about.

Nestled against a steep Cornish cliff and overlooking the deep azure of the glittering ocean, Utopia really

is another world. Most of our rooms offer stunning views across the sea, where fishing boats bob and seagulls soar. There is nothing like the calming hush of the waves to send you off to sleep. Of course, the pocket-sprung king-size mattress, Egyptian cotton sheets and goose down pillows also help!

Our stunning, Grade II listed building, once the home of English aristocracy, is surrounded by 40 acres of sculpted parkland. If golf is your chosen way to unwind, you won't be disappointed – we offer one of the best courses in the south-west of England.

If you prefer your relaxation to be a little more sedentary, then our luxury spa is the answer. With a heated indoor pool, jacuzzi, sauna and steam room, you'll soon be on cloud nine. And our fully-trained staff are here to provide you with the full range of treatments, including Reiki and hot stone massage, during your stay.

Our Michelin-starred chef, Harry Laroux, is on hand to whip up a taste sensation for you at meal times. His Eggs Benedict have been labelled the 'Best in the South West' by Cornwall Magazine, and his roast duck has become the signature dish for the hotel. Quite simply, you won't taste better.

But why take our word for it? Call us today on 0800 456123 to book your stay. We can't wait to meet you.

You've earned a break. Come and discover Utopia.

'My stay at Utopia was quite simply the best break I could have had. Professional and attentive staff, stunning views and fabulous food. Worth every penny! I'll definitely be back.'
