Number and Place Value | Place Value Up to 10 Million Including Decimals

| To partition and compose numbers up to <br> 10000000 including decimal tenths, <br> hundredths and thousandths. |  |  |
| :--- | :--- | :--- |
| I can read and write decimal numbers up <br> to 10000000. |  |  |
| I can identify the place value of digits in <br> decimal numbers up to 10000 <br> 000. |  |  |
| I can combine units to compose decimal <br> numbers up to 10000000. |  |  |
| I can partition decimal numbers up to <br> 10000000. |  |  |

Number and Place Value | Place Value Up to 10 Million Including Decimals

| To partition and compose numbers up to <br> 10000000 including decimal tenths, <br> hundredths and thousandths. |  |  |
| :--- | :--- | :--- |
| I can read and write decimal numbers up <br> to 10000000. |  |  |
| I can identify the place value of digits in <br> decimal numbers up to 10000 <br> 000 |  |  |
| I can combine units to compose decimal <br> numbers up to $10000 ~ 000$. |  |  |
| I can partition decimal numbers up to <br> 10000 <br> 000 |  |  |

Number and Place Value | Place Value Up to 10 Million Including Decimals

| To partition and compose numbers up to <br> 10000000 including decimal tenths, <br> hundredths and thousandths. |  |  |
| :--- | :--- | :--- |
| I can read and write decimal numbers up <br> to 10000000. |  |  |
| I can identify the place value of digits in <br> decimal numbers up to 10000000. |  |  |
| I can combine units to compose decimal <br> numbers up to 10000000. |  |  |
| I can partition decimal numbers up to <br> 10000000. |  |  |

Number and Place Value | Place Value Up to 10 Million Including Decimals

| To partition and compose numbers up to <br> 10000000 including decimal tenths, <br> hundredths and thousandths. |  |  |
| :--- | :--- | :--- |
| I can read and write decimal numbers up <br> to 10000000. |  |  |
| I can identify the place value of digits in <br> decimal numbers up to 10000000. |  |  |
| I can combine units to compose decimal <br> numbers up to 10000000. |  |  |
| I can partition decimal numbers up to <br> 10000 <br> 000 |  |  |

Number and Place Value | Place Value Up to 10 Million Including Decimals

| To partition and compose numbers up to <br> 10000000 including decimal tenths, <br> hundredths and thousandths. |  |  |
| :--- | :--- | :--- |
| I can read and write decimal numbers up <br> to 10000000. |  |  |
| I can identify the place value of digits in <br> decimal numbers up to 10000 <br> 000. |  |  |
| I can combine units to compose decimal <br> numbers up to 10000000. |  |  |
| I can partition decimal numbers up to <br> 10000000. |  |  |

Number and Place Value | Place Value Up to 10 Million Including Decimals

| To partition and compose numbers up to <br> 10000000 including decimal tenths, <br> hundredths and thousandths. |  |  |
