

Rounding Place Value Maths Mastery Activity

Work with a partner or group to place the 4 digit numbers in a Venn diagram using the criteria below.

To make the Venn diagram, you could use large hoops or string.

**Rounds to 42 000 when rounded
to the nearest 1000**

**Rounds to 40 000 when rounded
to the nearest 10 000**

35 230

35 757

36 040

36 294

36 389

38 099

38 680

38 988

40 486

40 821

41 503

41 575

41 650

41 671

41 828

41 896

42 018

42 026

42 083

42 202

42 655

43 015

43 125

43 202

43 366

43 559

43 692
