

Rounding Place Value Maths Mastery Activity

Work with a partner or group to place the 4 digit numbers in a Venn diagram using the criteria below.

To make the Venn diagram, you could use large hoops or string.

**Rounds to 600 000 when
rounded to the nearest 100 000**

**Rounds to 550 000 when
rounded to the nearest 10 000**

550 624

551 723

552 605

552 756

553 296

553 500

553 745

553 965

553 967

545 659

545 720

545 722

545 750

545 764

545 793

545 845

545 917

554 948

545 955

545 994

564 690

576 642

581 727

586 666

593 401

609 675

619 395

626 852

630 532

636 056
