One <u>cold</u> day in the winter, Lucy decided to go outside to build a snowman. She <u>said</u> to Harry, "Would you like to build one with me?" "I would <u>like</u> that!" <u>said</u> Harry.

Lucy and Harry <u>walked</u> outside into the snow. The snow was deep this year. They were both <u>happy</u> that there was <u>lots</u> of snow to use for their snowman.

They started to roll the snow into a ball to make the body. Harry was <u>sad</u> because his hands were <u>cold</u>. "It will be worth it when it is finished," <u>said</u> Lucy.

After Lucy and Harry had <u>made</u> the body and head for the snowman, they stuck two <u>small</u> sticks in either side for the arms.

Harry found a <u>dirty</u>, <u>old</u> scarf for the snowman to wear around his neck and Lucy fetched a carrot from the fridge.

They both found some *small* rocks for his eyes and mouth.

After they had <u>finished</u> their snowman, they <u>walked</u> back to the <u>warm</u> house to have a <u>nice</u> cup of hot chocolate.
