Fixing Run-on Sentences

Directions: Correct each run-on sentence in two ways. When you finish the three examples, go through your own writing and record at least 2 examples of run-on sentences that you fixed in your writing.

Run-on Sentence	Use a connecting word to fix it.	Create two separate sentences.
I learned so much in our Ancient Egypt unit I am so proud of myself!		
It was raining after school I couldn't go to the park.		
I like strawberries, I don't like peaches.		

Now that you've finished the example sentences, go through your own writing and look for run-on sentences. Record at least two examples of run-on sentences that you find and fix them by either using a connecting word or creating two separate sentences.
