Grammar: Pronouns

Subjective & Objective

Why Grammar?

As teachers, we know that grammar practice helps build confident writers. It's one important piece to the puzzle!

Teacher Page

Package Contains

1. Printable Student Version (PDF)
2. Printable Key (PDF)
3. Printable Teacher Guide (PDF)

Purpose: To give students practice distinguishing and supplying subjective and objective case pronouns.

Format:

Printable: Print from PDF. Have students complete pencil/paper or cut/paste. The Lesson Page (Page 1) has places for students to fill in notes. The bottom section can be handwritten, or there are sortable objective and subjective pronouns cutouts on the next page.

Modification: Completed notes page can be displayed for students to copy. Completed notes page from the Key can be given to students as an accommodation.

Lesson Plans:

SWBAT: distinguish and supply objective and subjective case pronouns.

Materials: Printed pages/packet

Grouping: Whole group, individual

Procedures:

1. Lesson Page 1 - Review information whole group. Teacher display, students follow. Students may annotate by starring, circling, questioning ideas.
2. Students will copy/fill in the notes for the “How do I do this?” and the “What does this look like?” sections. Teacher display, students copy. Class discuss as needed.
3. Activity Page 2 - Students will complete each section according to the directions.

Evaluation: Teacher observation, see key for grading
