After school I play video games, play with my dog, and do my homework.

I packed sunscreen, towels, water, and shovels for our beach trip.

Basketball baseball and tennis are my favorite sports to play.

At the zoo we saw tall giraffes several monkeys and a few snakes.

I love to play on the swings slides and hang from the monkey bars.

I love to read historical fiction mysteries and biographies.

We went to Disneyworld with my cousins aunts and parents.

Pizza hamburgers tacos and fish sticks are my favorite
