Comparing Numbers

To compare numbers up to 1000.

Choose a number from the box to make each comparison sentence correct. Each number can only be used once.

833	431	119	915	411	382
319	811	434	821	813	299

- 1) >
- 2) <
- 3) <
- 4) >
- 5) > >
- 6) < <
- 7) > <
- 8) > <
- 9) > > <
- 10) < < <

Can you find a different way of completing the sentences correctly, using just the numbers from the box?
