Words with the suffix *-ise* are usually just created by simply adding the suffix to a noun or adjective root word,  
e.g. **terror** (noun) → **terrorise** (verb).

However, sometimes we need to remove the 'e' from the end of noun or adjective root word before adding *-ise*,  
e.g. **fertile** (adjective) → **fertilise** (verb).

Here are this week's spellings to practise.
