

Past, Present or Future?

Look carefully at the picture.

Imagine that it is a photograph that you have just taken.
Choose **one** of the options below.

1 Past

Make a list of things that might have happened just **before** you took the photo.

2 Present

Make a list of things that might have been happening **while** you were taking the photo.

3 Future

Make a list of things that might happen **after** you have taken the photo.
