

Adult Teaching Suggestions

We hope you find these Pre-Key Stage Standard suggestions useful. Please be aware that the suggestions and resources mentioned are potential ways to check understanding relating to the relevant strands. Other resources may be needed in addition to those suggested.

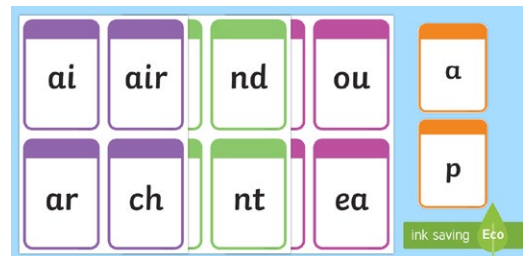

Strand D – Transcription

The pupil can identify or write the 40+ graphemes in Standard 4 of English language comprehension and reading on hearing the corresponding phonemes. Pupils should respond using their usual form of communication – this could be sign, using a word processor, switch or communication aid.

Task

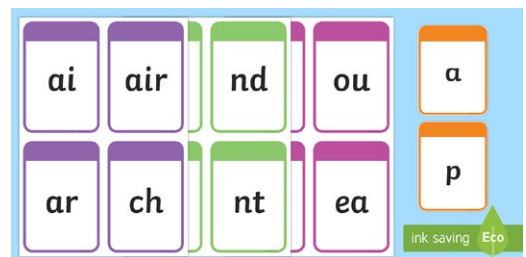

Activity One – Sound Scribers

Use the **Phase 2-5 Phoneme Flash Card Pack** for pupils to practise identifying all 40+ graphemes on hearing the corresponding phonemes. Place a selection of the cards in front of the pupils (approximately 10 cards would be ideal). Call out a phoneme from the selection and ask them to select the appropriate grapheme card. Extend this activity by asking pupils to write down the grapheme with, and then without, the flashcard after hearing the phoneme. Use a range of media and sensory materials to engage pupils in the writing process.

Activity Two – Find and Write

Use the **Phase 2-5 Phoneme Flash Card Pack** again, distributing the sound cards throughout the classroom or outdoor area. Ask the pupils to find as many cards as they can within a given time period. Once the time is up, pupils can team up with a partner to write down their phonemes on a whiteboard or any other media chosen. Make it more challenging by asking the pupils to take turns reading out the sound cards to each other; their partner can write down the corresponding grapheme without peeking.

Activity Three – I Spy!

Use the **I Spy Resource Pack** for pupils to listen to a range of phonemes and then write the corresponding graphemes.
