

Number 7 Clothes Line Number Bonds

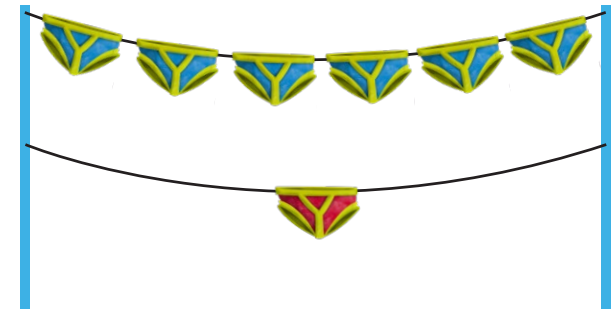

I need help with my laundry! Help me work out the different ways I have made seven on my clothes lines.

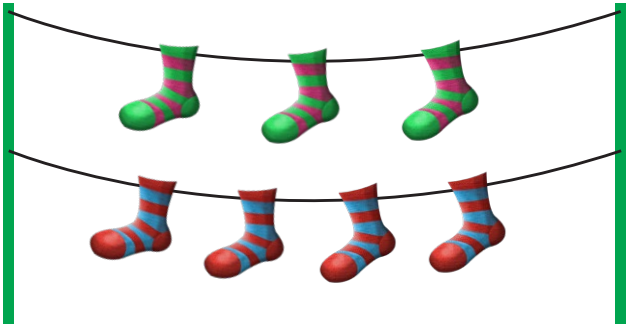

$$4 + \square = 7$$

$$\square + 2 = 7$$

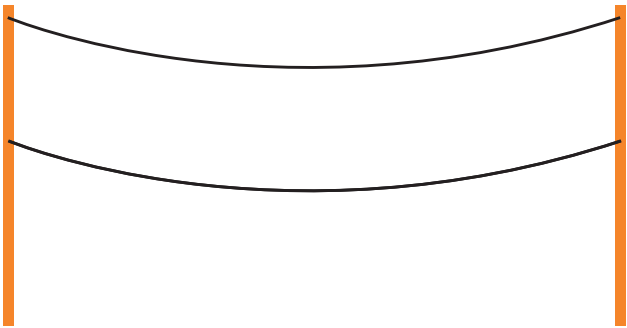

$$\square + \square = 7$$

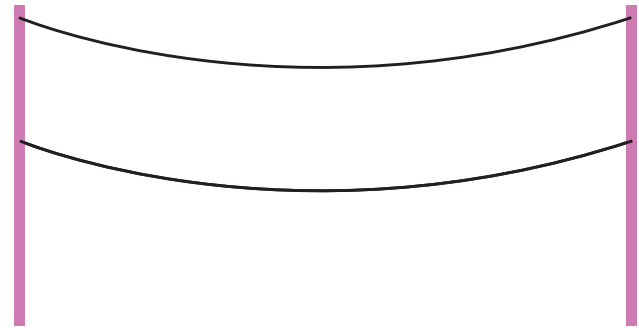

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$
