

It was raining

but

we still played outside.

I didn't have a coat

but

I wasn't cold.

You can touch it

but

you must be careful.

He won the race

but

people think he cheated.

The race went ahead

yet

the snow continued.

It was getting dark

yet

we could still see.

I didn't get wet

yet

it was pouring rain.

It was a sunny day

yet

we stayed inside.

I was tired

so

I went to bed.

He wanted a new coat

so

he went shopping.

She ate too much pizza

so

she was sick

She wanted to finish  
her homework

so

she went to the library.

Let's go to the cinema

and

let's go to the park.

He did his homework,  
tidied up

and

he went to bed.

Do you want cake

and

do you want ice cream?

She went to the shop

and

she visited her Gran.

Do you want an orange

or

do you want an apple?

Come inside

or

you'll catch a cold.

Shall we go to the swimming pool

or

shall we go to the cinema?

There are apples

or

there are bananas for the picnic.
