Adult Teaching Suggestions

We hope you find these Pre-Key Stage Standard suggestions useful. Please be aware that the suggestions and resources mentioned are potential ways to check understanding relating to the relevant strands. Other resources may be needed in addition to those suggested.

Strand E

The pupil can spell words (with known graphemes) by identifying the phonemes and representing the phonemes with graphemes (e.g. in, cat, pot).

Task

Activity One – Blend and Spell

Practise reading a range of two-letter and three-letter decodable words using the **Decodable Words Flashcards**. Model how to blend the sounds by ‘pushing’ the sound buttons. Once the pupil can orally blend and segment the sounds on the cards, encourage them to segment the words for spelling. Provide a variety of media for pupils to spell the decodable words, sounding them out as they write, such as sand, cornflour, chalk, twigs in mud, mini-whiteboards, magnetic letters, window markers and squeeze bottles of water. Use these along with tablet devices or keyboards. Use the **Blend and Spell PowerPoint** for pupils to read a range of two-letter and three-letter words before practising to spell them.

Read, Match and Spell (CVC) Words Activity

Use the **Read, Match and Spell (CVC) Words Activity** for pupils to read a range of CVC words, match the word to the correct picture and then practise spelling the word independently using a range of media. Use the **CVC Matching Cards** to see how many words pupils can read independently in a minute before progressing to writing the graphemes for the words

Activity Three – Write Away!

Use the **Write Away! Resource Pack** to provide pupils with a range of opportunities to practise identifying phonemes and writing the correct graphemes.
