UNIX Server and Related Hardware For Sale

Winnipeg Enterprises Corporation (WEC) owns the Select-A-Seat ticketing system located in Winnipeg, Manitoba, Canada. The Select-A-Seat business is closing at the beginning of September 2004. We are seeking interested parties to purchase our UNIX server and related hardware that currently runs our ticketing system.

The preference is to sell all equipment as a total package, however we are open to selling equipment separately if desired. WEC reserves the right to accept or refuse any offer it receives. All offers must be received in writing and in Canadian dollars.

The UNIX server consists of one HP9000 D370 class UNIX server. Its specs are:
- Dual 160 MHz PA-RISC CPU's
- 1792 MB of RAM
- 12 GB DDS3 tape drive
- 2 x 4 GB FWD SCSI-2 hot swap internal hard drives
- CD-ROM
- HP-UX 10.20 (`www.hp.com/go/SLT`)
- White screen system console
- Server and screen are 5 years in age
- Server has been under a HP service/support contract
