**Additional Information**

This product is assigned a Regulatory Model Number which stays with the regulatory aspects of the design. The Regulatory Model Number is the main product identifier in the regulatory documentation and test reports, this number should not be confused with the marketing name or the product numbers. Any product bearing this Regulatory Model Number that does not carry the UKCA marking is not compliant with all the requirements listed above and may not be placed on the UK market.

This product was tested in a typical HPE environment.
