

A person is standing next to a bicycle on a city street at night. The scene is illuminated by warm, yellow streetlights, creating a soft glow. The background is blurred, showing other lights and possibly other people. The overall atmosphere is calm and urban.

**Welcome**

**ENVIRONMENTS BY DESIGN**  
HEALTH, WELLBEING AND PLACE

**AMPS | Syracuse University | Northumbria University |  
The Italian Society for the Sociology of Health |  
Chalmers University of Technology |**

**30 countries | 15 disciplines**

Day One Highlight Session - Northumbria University

Day One Highlight Session - Italian Society for the Sociology of Health

Day Two Highlight Session - Syracuse University

Day Two Highlight Session - Chalmers University of Technology

Day Three - Varied Sessions

Day Three - Varied Sessions

### **To join sessions:**

Click links in the programme (right click to open in new window)

### **Times:**

All times are in GMT (Greenwich Mean Time) the current time in London

### **Presenters:**

Join 30 mins before start time for tech check

All presentations last 20 minutes

Q&A+ at the end of the session

### **Audience:**

Join 5 minutes before the scheduled start time

Sessions will be recorded and available for viewing after the event

<p>12.30-1.00 pm</p> <p>1.00-1.30 pm</p>	<p><b>Welcome and Introduction</b> <a href="#">[Join]</a></p> <p>Professor Graham Cairns. Director, AMPS</p> <p><b>Film Screening</b> <a href="#">[View]</a></p> <p>Preview of Pre-recorded Presentations</p>
