**ONLINE CLASSES FOR TWSD CUSTOMERS**

At the December 28, 2020 Triunfo Water & Sanitation District (TWSD) Board meeting, staff presented the Board with a variety of potential topics and presenters for one or more online water-related classes for the District's customers. The Board voted to proceed with a series of three classes, to be held in March, April, and May 2021. Staff contacted the selected presenters and, with the approval of the Board's Public Outreach and Communications Committee, scheduled the following:

- "How to Create and Maintain a Low Water-Use Garden" – Dani Brusius (Master Gardeners of Ventura County) – Wednesday, March 10.
- "Turf Replacement" – Green Gardens Group – Wednesday, April 14.
- "Fire-Wise Landscaping" – Resource Conservation District of the Santa Monica Mountains – Wednesday, May 12.

Using a theme of "Water-Wise Wednesdays," staff will promote the classes with water bill inserts, news releases, display ads in The Acorn, Facebook posts, and notices to community groups including the Chamber of Commerce and garden clubs.
