UPDATE ON NEW TWSD WEBSITE

Summary

Staff continues to work on implementation of the design and content of the new website for Triunfo Water & Sanitation District (TWSD). Work in January includes completion of a beta site for review by the Board's Website/Outreach Committee (Directors Orkney and Wall). The Committee is scheduled to meet on Wednesday, January 29. At that meeting, the beta site will be reviewed and initial changes from the Committee will be noted. Those changes will be made in February, and an updated beta site will be presented to the full Board for review at the February 24 regular meeting. Any remaining changes from the Board will then be made, after which the site will be ready to go live.
