ONLINE CLASSES FOR TWSD CUSTOMERS

The first in the three-month series of online classes for customers of Triunfo Water & Sanitation District (TWSD) will be held on Wednesday, March 10. The instructor will be Dani Brusius from the Master Gardeners of Ventura County, and her class is “How to Create and Maintain a Low Water-Use Garden.” She will cover the following topics:

- The meaning of “drought-tolerant;”
- Getting to know your yard;
- Choosing/establishing plants; and
- Irrigation essentials.

The April and May classes include:

- “Turf Replacement” – Green Gardens Group – Wednesday, April 14.
- “Fire-Wise Landscaping” – Resource Conservation District of the Santa Monica Mountains – Wednesday, May 12.

Using a theme of “Water-Wise Wednesdays,” staff will promote the classes with water bill inserts, news releases, display ads in The Acorn, Facebook posts, and notices to community groups including the Chamber of Commerce and garden clubs. If you have any questions, please contact me at (818) 400-9278 or sandywarren@vrsd.com.
