UPDATE ON NEW TWSD WEBSITE

Summary

Staff is finalizing the beta version of the new website for Triunfo Water & Sanitation District (TWSD). A January 29 meeting of the Outreach/Communications Committee yielded approximately 30 changes, and staff is working with the designer (Thinking2) to complete those and roughly 70 more that have arisen in the course of site review and testing. Staff will be available at the February 24, 2020 Board meeting to provide the latest details on status of the site and its readiness for review by the full Board.
