WESTLAKE VILLAGE STREET FESTIVAL – SUNDAY, APRIL 28, 2019

On October 22, 2018, the Board of Directors of Triunfo Sanitation District (TSD) voted to approve the District's participation in the 2019 Westlake Village Street Festival, scheduled for 10:00 a.m. to 4:00 p.m. on Sunday, April 28, on Lakeview Canyon Road between Agoura Road and Watergate Road. Staff has secured booth space #623 in the central area of the Festival and will coordinate set-up and staffing on the day of the event. As in the past, staff will supply the booth with:

- TSD promotional literature
- Large map of TSD's service area
- Water conservation brochures
- Pure Water Project brochures
- Sample bags of compost from the Rancho Las Virgenes facility
- Pet waste bags
- Packets of poppy seeds
- Bottled water

In past years, Board members have staffed the booth for periods throughout the day. The Clerk of the Board emailed a sign-up sheet to all Board members on April 15. Should a majority of the members indicate their intent to staff the booth during all or a portion of the Festival, staff will ensure that appropriate public notice is posted. Additionally, staff will provide all Board members with information on parking for the event as soon as it is available.
