## TSD NAME CHANGE – BOARD MEMBER BUSINESS CARD DESIGN

### Summary

As part of Triunfo Sanitation District's (TSD's) name change to Triunfo Water & Sanitation District, new business cards will be produced for the Board of Directors. Staff provided the new logo artwork to the printer responsible for producing the cards and received the following design concept:

Staff will provide actual-size, high-resolution hard copies of the above design at the May 20 meeting. If the Board approves the design, staff will coordinate production and provide finished cards to each Director prior to the July 1 effective date of the District's new name. Should the Board desire to make changes to the design, staff would coordinate revisions, bring back a revised proof at the June Board meeting, and coordinate production as soon as possible thereafter.

### Recommendation

It is recommended that the Board review the above design and direct staff accordingly. If you have questions, please call me at (805) 658-4608 or email [sandywarren@vrsd.com](mailto:sandywarren@vrsd.com).
