**INVESTMENT REPORT – APRIL 2021**

**Summary**

The attached report shows cash and investment holdings of the District on April 30, 2021. The District's policy is that the report be provided within 30 days of the close of the month. The balance of the portfolio, at cost, was \$23,279,683 on April 30, a \$4,077,872 increase compared to the prior month. This net increase is mainly due to the tax apportionment received in April from the County of Ventura for sewer service fees as well as funding operations. Interest earnings of \$6,518 for the month were accrued and the fiscal year to date at \$80,642.

The Treasurer manages all District investments. All District investment holdings are in compliance with the investment policy approved by the Board of Directors in January 2018. The investments of the District provide sufficient cash flow liquidity to meet the next six month's estimated expenses.
