UPDATE ON WOOLSEY FIRE FEMA CLAIM

Summary

As noted at the July 22, 2019 Triunfo Water & Sanitation District (TWSD) Board meeting, staff submitted an application to the Federal Emergency Management Agency (FEMA) in July for \$466,219 in reimbursement for costs associated with damages that TWSD sustained in the Woolsey Fire that burned in and around TWSD's service area from November 8-12, 2018.

Since that submission, staff has received several inquiries from FEMA representatives, requesting clarification or additional details on specific costs. Staff responded promptly to these inquiries and expects that others may follow as FEMA and the California Office of Emergency Services (CalOES) evaluate the application. Staff will continue to keep the Board apprised of the claim status, including any payments that FEMA and CalOES approve or issues they may raise.
